

# In Stitches

## A Community Textiles Project

In Stitches is our exciting new community project for 2023 using fabric and stitch to unite participants in a shared language of making.

Following on from our successful community sewing project, Flock Together 22, we invite you, the local and wider community to get involved and become a part of the collective. Participants do not need any previous experience to take part.

In Stitches means laughing uncontrollably; we want you to think about your own memories of laughter and joy as your inspiration.

### How you can get involved

- Come to one of our drop-in sessions in the gallery
- Join one of our workshops
- Make your piece at home with materials you already have
- Start a group in your area or join an existing group
- Ask us about our starter kits

### The Brief

Your finished textile piece must be 15 x 15cm (6 x 6 ins). You can use any colour fabric and any textiles technique.

Please include a parcel tag 12 x 6cm (4.75 x 2.5 ins) telling us a little about your memory, which we will attach this to display with the work during the exhibition.

Drop off or send the finished piece to us at ACEarts, Market Place, Somerton TA117NB by 1 November 2023.

The aim of this project is to create a public participation artwork. All submitted works will be shown as part of our 2024 exhibition programme.

Due to the nature of this project, we are unable to return individual pieces. See our website for further information.

Old Town Hall, Market Place, Somerton TA11 7NB
